Con's immaculate 600cc 1955 Model 19R (Rigid) on display tonight. Came from an old club member, Ron Truscott. When he passed, he bought it from the family (Michael). Only made for 1 year. It should have a single seat, but has a dual. As a result, Ron had increased the size of the rear tyre to cope with the extra weight. 8" front brake much better than 7". Con is hoping to get it on historic rego soon so he can ride it. Con proceeded to tell us a lot about the bike and Ron's large collection of bikes.
