- GENERAL BUSINESS:** The Balhannah Swap Meet was just average. Much smaller than usual... The Lions Bike Show at Maccy was excellent. Well, maybe too many Harleys. The tent was excellent and for the first time in forever we had more non-Commandos than Commandos on display. Massive number of bikes, almost over capacity. Shannons did not have representation!... Upcoming events: Show-n-shine Saturday 17th Dec at the Munno Park Bunnings. ... Trevor Anderson from Historic Racing Register has requested our support again, and we have approved the \$200 donation. ... All British Day is in March. ... Next month's general meeting will include the Xmas BBQ from 7:00 with a meeting at 7:30... Peter Sinfield says BMH was really good to deal with, and Jerome corroborates they are good. Surprised they don't advertise more! Trevor Miller, who lives in the Barossa, dropped off some wines, which we will auction. And some spare parts, which members can have for a small donation. Ian Delaine also gifted a bottle of wine. ... Barry asks what do people use for a head gasket? Copper gasket, mostly. And for a sealant, Japanese 3 Bond, which is apparently used for outboard motors. Hylomer is recommended as well. Another recommendation is to tighten 3 times over a week. ... Eddie has put up his hand as our spare historic registrar. Yay.
- RAFFLE:** Eddie, B25, Pepperjack Cab/Sav.
