### **General Business**

Bendigo swap meet next weekend, who wants to ride with Con?

Lyndii is in the CRAB club and makes a donation to cancer research. There was an idea to raise some money for the upcoming financial year for a '100' club night. You put in \$100 and then you can attend and get your name on the 100 club. So far \$300,000. BM – The club could sponsor this to get our name on the 100 club. NG – we could also have a sponsored ride? The club agreed to start with the donation of \$100 to the cancer research cause.

There was an observation that only the people who attended the club are the people who pay for the club presence. It could be added to the annual membership.

There are a considerable number of bike shows coming up.

- All British day – March 3rd 2024 – This year it is half price for the bikes.
- European Motorcycle Day - 18<sup>th</sup> February 2024 - Balhannah. Members with other bikes should consider attendance.

Andre is selling his Commando, if you are interested, please get in contact.

To reduce the number of people late paying the club membership, we could put up the charge by \$10, however offer a \$10 discount if you pay on time. = Note classic owners are \$35, BSA.

Any further ideas for charity donation and efficiency of income are welcome.

**Raffle winner was Pete.**
